

## Autoavaliação e avaliação entre pares – Sprint C&D

	Número aluno	Nome	Auto Avaliação	Avaliação entre pares			
				1	2	3	4
1	1190903	Miguel Gonçalves	Fair		Fair	Fair	Fair
2	1191018	Rúben Rodrigues	Fair	Fair		Fair	Fair
3	1191042	Rui Pinto	Fair	Fair	Fair		Fair
4	1191106	Tomás Limbado	Fair	Fair	Fair	Fair	

Em cada sprint a equipa deve fazer uma retrospectiva do sprint anterior (juntamente com o mentor) e discutir a autoavaliação e avaliação de pares, segundo a escala:

- Poor – non substantial contribution to the work
- Enough – slightly smaller contribution than the other team members
- Fair – same as other team members
- Good – slightly bigger contribution than the other team members
- Outstanding – without this contribution the work would be quite significantly of lower quality
